# Category Descriptions

**Stroking** (Alpha-Delta) Skaters are grouped by age and ability level and perform forward stroking both counter-clockwise and clockwise around the full surface of the rink with crossovers at each end.

**Spotlight** (Pre-Alpha-Freestyle 10) Test levels and genders may be combined. Each competitor will perform their program on full ice to music of their choice. Spotlight competition has 3 categories: **Dramatic**-usually serious music, expressing emotion (example: "America the Beautiful") **Light Entertainment**-fun music, light-hearted, vaudevillian (example: "Puttin' On the Ritz") **Character**-Portraying a famous, easily identifiable character (example: "Mickey Mouse").

**Footwork** (Freestyle1-Freestyle10) Skaters perform footwork sequences of their own design to music of their choice. The program should contain a variety of turns, sequences, edges in addition to speed and quickness of the routine. The one minute program may contain ½ rotation jumps, and spins less than three revolutions. Judging criteria has changed from "variety of moves" to "variety of turns and edges".

**Artistic** There are no required moves in Artistic Skating. Emphasis should be placed on the creative and innovative design of a skating program. Strong edges, body positions, flow, music interpretation, rhythm, choreography and artistry should be the main focus of an Artistic Program. Please check maneuver limitations. Props of any kind are not permitted at any level.

**Rhythmic Skating** There are no required maneuvers for Rhythmic events. Emphasis should be placed on entertainment value and use of prop in creative and unusual ways to enhance the program choreography.

**Solo Surprise** Skaters perform race-type events in a group and the first one completing the task is the winner. For skills events, they can be timed or watched one-by-one as the skaters complete the requirements.

**Jump and Spin Team** This event is open to any level ISI skater. Competition is divided into 4 levels using the required elements listed below. Skaters perform the maneuvers without music. If partners are of different levels, then they will compete in the level of the higher partner.

Levels include: **Low** (Pre-Alpha-Delta)-Two foot hop or bunny hop and 2-foot spin

**Medium** (FS 1-3) - Half-flip or Toe Loop and 2 foot spin or 1-foot spin

**Intermediate** (FS 4-5) – Half Loop or Axel and Sit spin or Back spin

**High** (FS 6-10) – Double Salchow or Double Loop and Flying Camel or Flying Sit Spin
